**NOTIFICATION OF ERROR IN PAYMENT OF FEE AS A SMALL ENTITY  
(37 C.F.R. §1.28 (c))**

On September 8, 2005, payment of the issue for the subject patent application was made based on the small entity status that was valid up to the time when applicant was under obligation to assign, and on September 6, 2005, did assign, the subject application to Hunt Holdings, Inc.

The payment of the issue fee based on the amount shown in the issue fee transmittal form PTOL-85 was made in good faith, without taking into account that Hunt Holdings, Inc., is not entitled to claim small entity status. This good faith error was discovered within days of the payment of the issue fee, and this paper is being submitted in correction of that error.

GLDES/121/US

The payment of \$1,000 made on September 8, 2005 included \$700 for the issue fee and \$300 for the publication fee, as represented by our check for \$1,000 (copy enclosed). The issue fee for a large entity should have been \$1,400, whereas no error was made in the payment of the publication fee. Accordingly, the fee deficiency was \$700 and a check is attached in the amount of \$700 to cover the deficiency.

Authorization is hereby made to charge applicant's Deposit Account No. 16-2563 in the event additional fees are required, and any overpayment should likewise be credited to said Deposit Account.

Respectfully submitted,

Donald R. Dressler
